EXPERIENCE

FASHION DESIGNER, 03/2017 - 04/2018

Lions Floor, Lafia, Nigeria

- **Designed custom clothing and fashion collections based on client requirements and market trends.**
- **Created original sketches and technical drawings for garments and apparel.**
- **Selected appropriate fabrics, colors, patterns, and accessories for each design.**
- **Developed garment patterns and supervised the cutting and sewing process.**
- **Collaborated with clients to understand their preferences and deliver personalized designs.**
- **Conducted garment fittings and made design modifications to achieve the desired fit.**
- **Ensured all designs met quality, style, and production standards.**

- **Researched fashion trends, fabrics, and emerging styles to create innovative collections.**
- **Managed multiple design projects while meeting production deadlines.**
- **Coordinated with tailors and production staff to ensure accurate garment construction.**
- **Oversaw quality control throughout the design and manufacturing process.**
- **Maintained detailed records of customer measurements, design specifications, and project timelines.**
- **Recommended fabrics, trims, and embellishments to enhance garment quality and appearance.**
- **Built strong customer relationships by delivering high-quality, customized fashion solutions.**
- **Promoted creativity and attention to detail in every stage of the design process.**

TAILOR, 01/2015 - 02/2016

Lions Floor, Lafia, Nigeria

- Measured customers accurately to ensure proper garment fit.
- Cut fabric according to patterns, measurements, and design specifications.
- Operated industrial and domestic sewing machines to produce high-quality garments.
- Performed garment alterations, repairs, and adjustments based on customer requests.
- Sewed and assembled clothing while maintaining high standards of craftsmanship.
- Conducted final quality inspections to ensure garments met customer expectations.
- Pressed and finished garments before delivery.
- Assisted customers in selecting fabrics, styles, and design options.
- Maintained a clean, organized, and safe work environment.
- Managed multiple tailoring projects while meeting customer deadlines.
- Took accurate body measurements and recorded customer specifications.
- Replaced zippers, buttons, hems, and other garment components when needed.
- Maintained sewing equipment by performing routine cleaning and basic maintenance.
- Communicated professionally with customers regarding orders and delivery schedules.
- Ensured customer satisfaction by delivering quality workmanship and timely service.

EDUCATION AND TRAINING

R C M, Doma, 07/2021

High School Diploma

- **I completed my formal education at [Highest School Name] and further developed my practical skills through hands-on training in tailoring and fashion design. During my apprenticeship, I gained experience in garment construction, pattern making, fabric selection, alterations, customer fittings, and delivering high-quality custom clothing. This combination of formal education and practical training has provided me with a strong foundation in the fashion industry.**
